

# Welcome back to School!

We're going to have so much fun in Music class this year! Your child can continue their musical journey at home by logging into **QuaverMusic.com**. This step-by-step guide will help them login on any device at home, at the library, or anywhere with internet access!

## It's as easy as 1-2-3!

Visit **login.QuaverMusic.com**

Enter your **QuaverName** and **Password**:

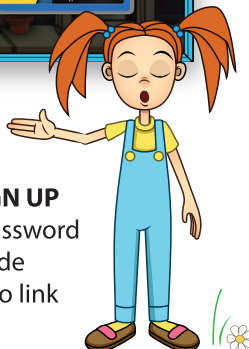

**My QuaverName:**

**My Quaver Password:**

## New to Quaver?

If you're new to QuaverMusic, click **SIGN UP** instead, and create a username and password your child can remember. Enter the code below in the **MY QUAVERCODE** field to link them to our music class!

# Get to know your Student Dashboard

Depending on your device, you'll be taken directly to **Quaver Street** (on a computer) or to your child's **Student Dashboard** (on a mobile device).

From your **computer**, click **STUDENT** to open the same Dashboard.

Your child's QuaverMusic.com experience all happens right here on the **Student Dashboard!**

## Click any icon to explore:

- My Avatar:** Here your child can customize his or her avatar with fun outfits, cool hairstyles, and more!
- Assignments:** Here you'll find any assignments or assessments sent from your child's teacher.
- Student Interactives:** Explore a full menu of engaging web-based activities that your child may recognize from our lessons.
- Creatives:** When accessed from a computer, your child can compose their own pieces on piano, drums, guitar and more!
- Music Room:** This room is full of fun musical arcade games and seriously fun site-wide contests.
- QuaverBooks:** Here your child can explore digital books about musical styles and time periods and take quizzes to test what they've learned.

When logged in on a computer, your child might also like to explore the rest of Quaver's World – included for **FREE** with our use of QuaverMusic in the classroom.

Each section of the site holds endless possibility and inspiration for young musicians. Click **APPS** at the bottom of **Quaver Street** to explore these areas:

- Studio:** Composition apps for piano, drums, guitar, dance, and audio loops
- Music Room:** Musical arcade games, avatar customization tools, and site-wide contests
- Metro:** Virtual field trips to explore musical styles around the world
- Lab:** Ear training drills, apps to dissect sound waves, and add sound effects to silent movies
- Shop:** A phone box that travels through history, talking composers, and much more!

I hope you and your child have a blast exploring all the musical fun at QuaverMusic.com. Please let me know how it goes!

Sincerely,
