

Equip the Next Generation of Health and PE Educators

QuaverEd is proud to support educators throughout your entire teaching career. Starting in college courses, our HigherEd program provides a foundation to build on with **free access to our product for professors and college students**. Upon graduation, QuaverEd supports **first-year teachers with a free license** to use the resources in their own classrooms.

Quaver HigherEd Programs Offer

- **FREE** resources for methods and practicum courses
- **FREE** professional learning tools and opportunities
- **FREE** curriculum for student teaching
- **FREE** license for first-year teachers

You and your students get access to the full curriculum – lesson plans, supplements, and more! QuaverEd's digital resources make it easy for students to take the tools with them wherever they may be teaching.

With full access, Health and PE educators can teach pre-planned lesson plans, explore supplemental resources, and customize a curriculum that works for you!

Ready to start your QuaverEd journey?

1. Visit QuaverEd.com/HigherEd and fill out the contact form to get access.
2. Use QuaverEd's training and professional learning resources.
3. Produce Health and PE educators ready for the modern classroom upon graduation!
