QuaverMusic creates a solid music foundation for Texas learners.

Dear Texas Administrator,

As you are considering a Fine Arts curriculum for the next four years, I invite you to take a look at QuaverMusic.

QuaverMusic is a part of over 10,000 districts, schools, and classrooms in Texas. Our TEKS-aligned music education helps learning come alive across the Lone Star State. We are the only K-5 music curriculum 100% aligned to the TEKS and approved by the State Board of Education.

Inside are a few notes about QuaverMusic and how we can help your district.

Let's talk soon. Thank you for supporting music education across Texas!

Carlie Phillips

"When teachers figured out the plethora of resources they had at their fingertips to inspire and encourage their students, it was unbelievable the magic that happened in their classrooms."

Michelle, Texas Teacher

"Quaver really streamlines the planning process especially in our district. This allows teachers to focus on their students which is really why we're in education, which is for the kids."

David, Texas Administrator
