

## Back-to-School Parent Letter

Dear Parents, Guardians, and Families,

This year in the classroom, your student will be introduced to QuaverEd, a nationally recognized online platform. Each of QuaverEd's family of curricula — QuaverMusic, QuaverReady, Quaver Pre-K, and QuaverHealth•PE — is designed to bring learning to life for students!

Each product is designed with elementary school students in mind. Throughout the year, I'll use engaging songs, activities, lessons, interactives, and prompts. Many lessons include music and movement to reinforce concepts.

QuaverEd resources are trusted in over **21,000** schools, with nearly **10 million** students engaged in education. It is a nationally recognized leader and is loved by students, teachers, and parents worldwide. ["Everyone's Welcome."](#) one of QuaverEd's original songs, offers a small glimpse at what we can expect this year. I wanted to share it with you — enjoy! I'm sure you'll hear more songs and activities in the following months.

I'm excited to offer this resource to my classes. If you have any questions, please don't hesitate to ask me. Or you can visit [QuaverEd.com](http://QuaverEd.com) to learn more about this seriously fun curriculum.

Sincerely,

And the QuaverEd Family
